

Conservation Security Program

Informational Meetings July 7-8, 2004

Punta De Agua-Tramperos Watershed

The Punta De Agua-Tramperos Watershed is one of only 18 watersheds in the nation selected for the USDA's newest program—the Conservation Security Program. This program is designed to financially reward farmers and ranchers who are actively working to conserve natural resources on their lands.

July 7 – Hartley

10 a.m. – 12 p.m. CST
Hartley Community Center
Hartley, TX

July 8 – Sedan

10 a.m. - 12 p.m MST
Sedan Fire Station
Sedan, N.M.

CSP is open to all eligible producers in the Punta De Agua-Tramperos Watershed. To find out if your farm or ranch will qualify for CSP, and to receive information about the application process, you are encouraged to attend one of the upcoming CSP Informational Meetings. The meetings will cover:

- **What is CSP?**
- **Who will qualify?**
- **How can I apply for the program?**
- **What are the requirements of CSP?**

CSP is a voluntary program that supports ongoing conservation stewardship of agricultural working lands and enhances the condition of America's natural resources. Additional information on CSP can be obtained at

www.tx.nrcs.usda.gov/programs/CSP/csp.html.

For more information about the public meeting scheduled in your area, contact David Guest, District Conservationist at (806) 244-2782 or Ben Creighton, Area Resource Conservationist at (505) 374-7262.
